### **Ford H-20 Rated Lid**

Ford's newly released H-20 lids for coil pitsetters carry a load rating for up to 40,000 pounds! These lids are available in sizes 15" and 18" with an optional bracket for Encoder Receiver Transmitter (ERT) devices. Made from reinforced composite polymer, the lids are durable yet provide low AMR signal interference. Weather and UV resistant, Ford's H-20 rated lids are perfect for road or driveway installations. Check out our website at [www.fordmeterbox.com](http://www.fordmeterbox.com) or call 260.563.3171 for more information.
