

# Compact Flange Ball Valve

Product Release

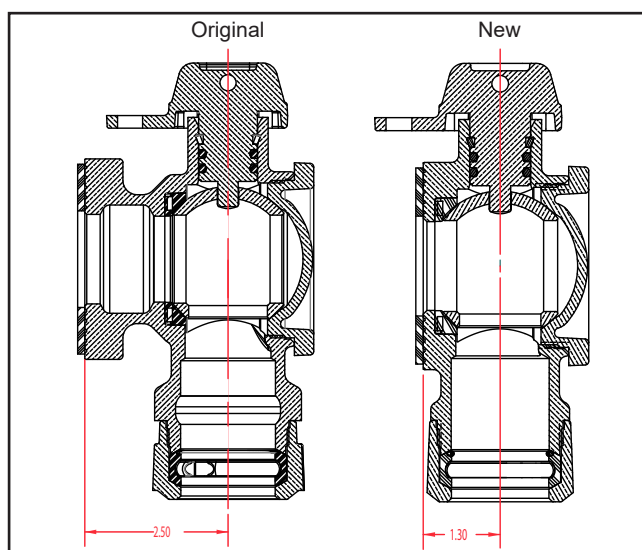

01/2024

## 1-1/2" Angle Ball Meter Flange Valve for Pit Setters with Small Tile Diameters

Designed for small diameter tile or in pits where a standard ball valve may not fit. Our CF (compact fit) angle meter flange ball valves measure 1.2" less in width than our standard 1-1/2" size valves offering flexibility in small diameter pits.

BFA43-666W-CF-NL

### Notes

- Compatible with 1-1/2" and 2" AWWA C800 oval flanges
- Accommodates existing Ford Meter Box 1-1/2" flange gaskets.
- Rated to 300 PSI working pressure.

Contact Ford Meter Box for additional sizes or alternate end connections.
