

## Unparalleled Pipe Repair Clamps

Ford Meter Box repair clamps combine the corrosion-resistant characteristics of stainless steel and the excellent sealing capabilities of rubber to provide superior and dependable repair clamps. FS style repair clamps are constructed entirely of stainless steel and have bi-directional tapered lugs for easy installation. F style repair clamps feature Armorguard e-coated ductile iron lugs and drop-in bolts. Both styles are manufactured with the highest quality materials and design. For unparalleled pipe repair solutions, choose Ford Meter Box!
