

FORD IMPROVES WEB SITE AND ADDS E-MAIL

The success of the Ford Meter Box web site is amazing. This site receives thousands of hits each week. As the Ford site becomes more widely used the need to continue to expand its content is necessary. Recently many new features and areas have been added.

One new feature is our "Distributor Locator" map. Simply click on a state and you can locate your local Ford Meter Box Distributor. Another interesting area is the Press Release area. You will find Meter Setters dating back to April 1995. The Ford Submittal area contains more than 100 different product submittals with more added all the time. The Ford web site also includes more product information which parallels our printed catalog. Ford Meter Box is continuing to improve its web site. You are invited to stop by the next time you are on line and view the changes.

The Ford Meter Box Company has also entered the world of electronic communication by merging the Ford company email with the Internet. Now you can contact your customer manager or field representative by using email. The next time you

are talking with your Ford customer service manager ask about their email address, or simply email info@fordmeterbox.com.

Finally, we all know that technology is great however people make it all happen. From our distributor network to the molders in the foundry, Ford Meter Box people are hard working, dedicated and conscientious.

The Ford Meter Box Company is committed to the standard of personal quality reinforced by the efforts of all our employees. Ford Meter Box, a company you can count on now, and in the future, is committed to providing the best customer service in the industry. This includes the ability to communicate through a letter, fax, phone or now the Internet!
