

FLS All Stainless Steel Repair Clamp with Removable Bolts

Ford Meter Box has expanded its repair clamp product line to include the FLS All Stainless Steel Drop-In Bolt Repair Clamp. Available in sizes 2" through 24", the FLS Repair Clamp is available in varying lengths and with the option to add a tapped outlet.

Features:

- Drop-in bolt design (no lifter bar) with bolt rotation stops
- All stainless steel construction
- Fully passivated for corrosion resistance
- Heavy hex nuts are coated to prevent galling
- Available options include EPDM gasket, Buna-N gasket, outlet taps and conductivity strips
- Two and three section clamps for a wider range of pipe sizes and tolerances are available

For your repair clamp needs, wrap your pipe in the Ford FLS Series. For additional information, contact your local Ford distributor or the Ford Meter Box Company.
