Ford Meter Box Customer Service

The Ford Meter Box commitment to quality products and excellent customer service is well known and as strong as ever. In May, Ford Meter Box opened the Ford Western Warehouse located in Reno/Sparks, Nevada. Ford Meter Box is committed to improving our delivery to the West Coast, and our new facility in Sparks will help us meet this goal. Benefits of the Sparks warehouse include improved delivery times and reduced shipping charges on split shipments. Shipments from the Sparks warehouse will be seamless – if it is available, it ships!
