December 2025

The Meter Setter

A Holiday Card Tradition That Keeps Everyone Smiling

The Ford Meter Box Customer Service Department takes great pride in its longstanding tradition of mailing holiday cards each Christmas. This gesture reflects the team's appreciation and goodwill toward our valued distributors. What began as a simple way to spread seasonal cheer has since become a delightful part of our company culture.

Each year, the department works together to select a card design that best captures the spirit of the season. To keep the tradition engaging, the team alternates annually between a classic, elegant design and a more whimsical playful theme. This rotation adds an element of surprise while showcasing the team's balance of professionalism and personality.

Whether the card features a traditional holiday scene or a lighthearted illustration meant to bring a smile, the Customer Service team's Christmas cards have become something our recipients look forward to every year.
