FEATURES

- Drop-in bolt design allows bolts to remain attached - no loose parts to lose in the ditch
- Optional outlet taps are available for repair of service line pull-outs. Add tap code to catalog number
- All welds are fully passivated to restore corrosion resistant characteristics of stainless steel
- Removable lugs
- Blue fluorocarbon-coated high strength low alloy steel nuts and bolts per ASTM A242 or AWWA C111
- Certified to ANSI/NSF Standard 61
