FEATURES

- All brass that comes in contact with potable water conforms to AWWA Standard C800 (UNS NO C89833)
- The product has the letters "NL" cast into the main body for proper identification
- Brass components that do not come in contact with potable water conform to AWWA Standard C800 (ASTM B-62 and ASTM B-584, UNS NO C83600 - 85-5-5-5)
- Ideal for adapting existing service lines. Remove a 3" (min.) section of existing service line (4-1/4" (min.) section for 1" service lines). Remove burrs. Slip the detachable Pack Joints onto the ends of the line, screw them tight to each end of the inserted Tee. Tighten the Pack Joint Nuts and screws.
- Uses Pack Joint Assemblies for KH-1, KH-2, KH-3 style Kornerhorn
